

Select your **four** main disciplines from the list:

Agricultural sciences

Animal sciences

Anthropology

Biology

Chemistry

Desertification

Environmental economics

Environmental sciences/ecology

Forestry

Geography

Geology

Hydrology

Information technologies (including remote sensing and geographic information systems (GIS))

Medicine

Physics and mathematics

Political sciences

Social sciences

Soil science

Statistics and demographic sciences

Biodiversity and ecosystem sciences

Meteorological sciences

Select your thematic areas from the list:

Adaptation	Land-use change
Afforestation	Land-use planning
Albedo	Land–climate system
Biodiversity	Landscape ecology
Biomass	Livelihood analysis
Biomes	Migration
Carbon sequestration	Mitigation
Climate change	Monitoring and assessment
Climate modeling	Natural hazards
Climate variability	Plant pathology
Communication and awareness	Policy analysis
Conservation	Population growth
Deforestation	Poverty
Desertification	Rangeland ecology
Disaster risk management	Rangeland management
Drought	Reforestation
Dust storms	Remote sensing
Ecological resilience	Risk assessment
Economic development	Rural development
Ecosystem services	Salinization
Environmental degradation	Science policy analysis
Environmental engineering	Sea water intrusion
Environmental governance	Social resilience
Environmental impact assessment	Soil conservation
Environmental monitoring	Soil degradation
Environmental policy analysis	Sustainable agriculture
Extreme events	Sustainable development
Food security	Sustainable land management –
Integrated water resources management	Traditional knowledge
Integrated natural resources management	Vegetation change
Irrigation	Vegetation degradation
Land cover change	Vulnerability
Land degradation	Water conservation
Land restoration/reclamation	Water logging and salinity
	Water quality

Geographic area(s) of field of experience (countries/regions): _____

Languages in which you are fluent (list mother tongue first): _____

University qualifications (degree, subject, university, year): _____

Selected publications

List FIVE of your most relevant publications: author, year, title, journal, volume, page, publisher*, and city of publication. Please note that for technical reasons the roster can only include a limited number (five). Kindly respect the limit.

1. _____

2. _____

3. _____

4. _____

5. _____

Total number of publications (including five above): _____

* For books only.

Summary of relevant work experience

Please summarize your project experience (advisory or participant) in no more than ten lines, including field and practical experience, as well as the application of any gender-sensitive approaches.

Other (maximum five) important relevant professional activities, membership in professional associations, etc.

1. _____
2. _____
3. _____
4. _____
5. _____

Three principal awards and honorary positions.

1. _____
2. _____
3. _____
